

## WORKSHOP BADGE

Your challenge is to complete 12 or more hammers

Once completed please hand your learning to Mr Woodhead. (Make sure it is named) note is you need any advice/guidance/ideas see Mr Woodhead

You will receive your Workshop Badge for your uniform and 2 points towards your Academic Badge. You will need \$10 for the badge and this must be handed to the office

ACTIVITY	Hammers
<p><b>Playhouse</b></p> <ul style="list-style-type: none"> <li>- Design a playhouse for home and with young kids (about 7/8/9 yr old) in mind</li> <li>- It can be on the ground or in a tree</li> <li>- must show views of all sides</li> <li>- Plan as well as concept drawings to be handed in</li> <li>- A 3D view of the finished playhouse</li> </ul>	
<p><b>Bird Feeder</b></p> <ul style="list-style-type: none"> <li>- Design and build a feeder for birds. It will need a platform and shelter</li> <li>- Remember to make sure your bird house construction is strong and sturdy</li> <li>- Include your drawings/design and all important information</li> <li>- You will also need to research what birds eat and provide a written piece explaining who the feeder works and what bird food will be used</li> </ul>	

<p><b>Jewellery</b></p> <ul style="list-style-type: none"> <li>- Design and make a piece of jewellery to sell in a tourist shop.</li> <li>- The jewellery must reflect New Zealand in some aspect of its design.</li> <li>- Please hand in your thumbnail designs with your completed piece.</li> </ul>	
<p><b>Photo Shoot</b></p> <ul style="list-style-type: none"> <li>- Select buildings from different eras.</li> <li>- Go on a photo shoot. Select a minimum of 15 of your best shots to hand in</li> <li>- Present your photos as a chart or timeline which shows understanding of the similarities and differences between the buildings.</li> <li>- Need to have your photos mounted on card</li> <li>- Showing dates of building etc.</li> </ul>	
<p><b>Landscape a Section</b></p> <ul style="list-style-type: none"> <li>- Draw a section with a house and shed.</li> <li>- Then set out your section             <ul style="list-style-type: none"> <li>- Driveways, paths</li> <li>- Gardens and other section highlights</li> <li>- Pools, Spa</li> </ul> </li> <li>- Plus any other thing you may like to put in your landscaping</li> </ul>	
<p><b>Periscope</b></p> <ul style="list-style-type: none"> <li>- You are at a show and cannot see over the people in front of you.</li> <li>- To avoid this happening in the future you decide to make a periscope.</li> <li>- It must be lightweight and compact.</li> </ul>	

**Can you build it? Yes you can ....**
