

SCHOOL STATIONERY LIST 2025

We are part of the OfficeMax 'Back to School' program where for every dollar spent on students stationery the school will receive a rebate. If using the officemax option go to www.myschool.co.nz Enter Highlands Intermediate in the orange box. Your child's teacher may require one or two additional items not shown here, however every effort has been made to keep costs to a minimum. Students are expected to bring along their stationery on the first day of school. **Please label books with names only, not subjects, as these will be identified by individual teachers.**
